### **Subject: Voice Conferencing**

Effective January 01, 2008 AT&T will be the new vendor supporting **Voice Conferencing** for the State of Nevada. The previous contract with InterCall expires on 12/31/07. For information on contacting AT&T for **Voice Conferencing** only, please call either the DoIT helpdesk on 775-684-4333 or the State Operators on 775-684-1000

### **Subject: Long Distance, Toll Free, Calling Cards**

Effective January 01, 2008 AT&T will be the new vendor supporting Long Distance, Toll Free and Calling Card services. **NO CHANGES WILL OCCUR ON JANUARY 1, 2008.** The current contract with Sprint has been extended for one year to support the transition to the new contracted vendor AT&T expected to take 6 to 8 months. During this transition period, a task force has been established to coordinate the organized transition over to the new carrier. All agencies and users of the current Sprint contract will be notified in advance of the scheduled conversion to their Long Distance, Toll Free and Calling Card services. For additional information, contact Dave Richards of the DoIT Telecommunications Unit on 775-684-7340 or e-mail at [daver@doit.nv.gov](mailto:daver@doit.nv.gov).
