MEMORANDUM

DATE: February 08, 2008
TO: All Agencies
FROM: Daniel Stockwell, Dept of Information Technology Director and State CIO
SUBJECT: Voice Conferencing

Effective January 01, 2008, AT&T is the new vendor supporting Voice Conferencing for the State of Nevada.

The previous contact with InterCall expired on December 31, 2007. Effective immediately, agencies should not use InterCall for voice conferencing as the State of Nevada no longer has a contract with InterCall.

For information on contacting AT&T for Voice Conferencing, please contact Renate Johnson at 925-875-1528 or renatejohnson@att.com.

For all other question concerning the Statewide Voice Conferencing contract, please contact the Department of Administration's Purchasing Division.

A handwritten signature in cursive script, reading "Daniel H. Stockwell".

Daniel Stockwell, Director / CIO – Dept of Information Technology
